

But we Christians have no veil over our faces; we can be mirrors that brightly reflect the glory of the Lord. And as the Spirit of the Lord works within us, we become more and more like him.

In an inspired community, we live beyond ourselves by offering the fruits of the Spirit—love, joy and peace—in our homes, our city, and around the world. This sharing happens as we worship, learn, and serve together; it overflows as we nurture the young, feed the hungry, and bind up the broken. This is possible only by transformational giving and sharing of ourselves and all we possess.

St. Francis in-the-Field is an inspiring community!

Each member serves an important role in the family of God and we are counted on to support one another in a variety of ways: time, prayer, encouragement and monetarily.

We trust that God will lead you to give generously to your church's 2022 ministry.
