Off to an Enthusiastic Start!

Thank you for your enthusiasm for our Mission: Backpack Kickoff last Sunday! With your generous initial donations – we have 6 backpacks already

funded! We are off to a great start toward our goal of 59 filled backpacks this year. As you may have heard, the average cost of the required backpack and supplies for each student is \$91.27. With your support, this outreach will give financially-challenged children a brighter start to this school year.

Please prayerfully consider sponsoring one backpack, or part of one. Of course any contribution will be welcome.

There are many easy ways to contribute: our website, by check (indicate “backpacks”) or through the Give + App on your phone. We will continue to accept any size donation through August 1st to give us time to shop, fill and bless!

Thank you for your prayers and support of this impactful ministry.
